SWEN303 Assignment 3 – UX Research

CONSENT TO PARTICIPATE

Student researcher(s): _____

I understand that I am being invited to participate in user research for a SWEN303 Assignment 3 project. The purpose of this research is to understand students' experiences, needs, and problems and to help inform the development of our prototype.

As a participant, I understand that:

- I am participating voluntarily and may choose not to answer any question.
- I may withdraw from the research at any point before the provided deadline on Nuku.
- The information I provide will be used for the SWEN303 Assignment 3 assessment and to inform the design of our prototype.
- My responses may be used in the development of personas, scenarios, and the final report.
- My personal information will be kept confidential and will only be accessible to the student researchers and academic teaching team where necessary.
- My responses will be anonymised where possible when presented in the final report.
- Information that is not necessary for the research will not be collected.
- Any identifiable information collected will be securely stored and destroyed by the end of SWEN303.
